Appendix F
Pipeline and Lease Block Information
[see Section 2.11.2, 148.105(k)(2)]

Pipeline	OCS Block Crossed by Pipeline	Status of OCS Block	Operator Block	Ownership	Other Owners Block	Ownership	Current Use Block	Planned Use Block
Proposed Site of LNG Terminal								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
Pipeline A - 36"								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
	WC 214	open, unleased	none		none		open, unleased (fairway block)	future lease sale candidate
	WC 215	leased, producing	Energy Res Tech	83.40%	TDC Energy LLC	16.60%	leased, OCS-G4087, producing	Oil & Gas production
	WC 202	leased, primary term	Dominion	100.00%	none		leased, OCS-G24718, producing	Oil & Gas exploration and production
	WC 201	leased, primary term	Spinnaker	66.67%	Newfield Exploration	33.33%	leased, OCS-G22523	Oil & Gas exploration and production
	WC 200	open, unleased	none		none		open, unleased	future lease sale candidate
	WC 191	leased, primary term	Denbury Offshore	100.00%	none		leased, OCS-G23748	Oil & Gas exploration and production
	WC 192	leased, primary term	Denbury Offshore	100.00%	none		leased, OCS-G22522	Oil & Gas exploration and production
	WC 177	leased, primary term	Stone Energy	100.00%	none		leased, OCS-G21539	Oil & Gas exploration and production
Pipeline B - 24"								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
	WC 204	leased, primary term	Mariner Energy	100.00%	none		leased, OCS-G23750	Oil & Gas exploration and production
	WC 197	leased, producing	Union Oil		Chevron USA	100.00%	leased, OCS-G3264	Oil & Gas production
	WC 182	leased, producing	Seneca Res	58.34%	Shell Offshore Inc	33.33%	leased, OCS-G15062, producing	Oil & Gas production
			Westport Resources		Westport Resources	8.33%		
	WC 171	leased, producing	Conn En	68.29%	Hunt Petroleum	11.19%	leased, OCS-G1997, producing	Oil & Gas production
					Chevron USA	10.00%		
					H. Hunt Exp	10.00%		
					Wagner Oil	0.38%		
					L. Hunt Trust	0.14%		
Pipeline C - 30"								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
	WC 212	leased, primary term	Callon Petr.	53.35%	Range En Vent	29.15%	leased, OCS-G22524	Oil & Gas exploration and production
					Cheyenne Int	12.50%		
					Blue Dolphin Pet	5.00%		
	WC 206	leased, producing	Forest Oil	100.00%	none		leased, OCS-G3496, producing	Oil & Gas production
	WC 195	leased, producing	Union Oil		Pure Res LP	33.50%		
					Fidelity E&P	23.00%		
					WG Helis	15.50%		
					Shell Off Prop & Cap2	15.50%		
					Browning Off	12.50%		
	WC 184	open, unleased	none		none		open, unleased	future lease sale candidate
	WC 185	open, unleased	none		none		open, unleased	future lease sale candidate
	WC 168	leased, producing	Chevron	100.00%	none		leased, OCS-G5283, producing	Oil & Gas production
	WC 167	leased, producing	TotalFinaElf	100.00%	none		leased, OCS-G9400, producing	Oil & Gas production
Pipeline D - 16"								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
	WC 224	open, unleased	none		none		open, unleased	future lease sale candidate
Pipeline E - 20"								
	WC 213	open, unleased	none		none		open, unleased	proposed LNG facility site
	WC 214	open, unleased	none		none		open, unleased (fairway block)	future lease sale candidate
	WC 215	leased, producing	Energy Res Tech	83.40%	TDC Energy LLC	16.60%	leased, OCS-G4087, producing	Oil & Gas production
	WC 216	leased, primary term	Pioneer Nat Res	66.67%	Dominion E&P	33.33%	leased, OCS-G21542	Oil & Gas exploration and production
	WC 217	open, unleased	none		none		open, unleased	future lease sale candidate
	WC 218	open, unleased	none		none		open, unleased	future lease sale candidate
