Room 4232 H.C.C.10
Office of Chief Counsel
Federal Highways Administration

Washington, DC 20590

To Whom It May Concern:

We feel the Federal government should not be telling us what our training program will include or how many hours for drivers to get their CDL license.

What difference does it make on length, type, and method of instruction if a person can get licensed.

I do our training and our drivers past their CDL for school bus usually the first time, our drivers don't go down unless they are ready.

Thank you,

Kathy Fraatz
