Re: Docket No. FAA-2002-11301

Dear Sir or Madam:

By letter dated April 29, 2002, the Aeronautical Repair Station Association and thirteen other organizations requested a 90-day extension of the comment period in this matter. The new closing date proposed was August 27, 2002.

ATA recommends that FAA grant the request to extend the comment period to August 27, 2002.

Thank you for your attention to this matter. Please contact the undersigned if you have any questions.

Very truly yours,

David A. Berg  
Assistant General Counsel
