Redding, California is definitely in need of a Non-Stop flight from Redding to Los Angeles.

The City has over 2,500 Hotel rooms, and an excellent selection of restaurants, and shopping.

Shasta Lake is the largest in California, and it is surrounded by so much beauty. The ideal vacation spot.

For many years I have traveled from Redding to Southern California. I've had to drive to Sacramento - Fly Sacramento to Ontario CA to visit my mother.

A Non-Stop flight out of

Redding municipal airport would have made my trip so much easier.

New businesses are coming into our area, new restaurants, new shopping malls, and new subdivisions.

Our Town will grow from Redding to Mt Shasta.

I am asking you to approve the grant for $500,000 that will be used to help subsidize the initial operating and advertising costs for the development of daily non-stop service between Redding and Los Angeles.

Sincerely,

Janice Elaine Archer
