Dear Dr Runge:

The Union of Concerned Scientists already has a blueprint for a safer SUV. It is called "The Guardian" and provides better safety and fuel economy with the same power and acceleration as a Ford Explorer.

For more information you may write the UCS at 2 Brattle Square, Cambridge, MA 02238-9105, phone 617-547-5552, Email ucs@ucsusa.org.
