Dear Mr. Altemos:

This is in reference to your letter dated October 19, 1994, submitted on behalf of Nalco Chemical Company of Naperville, Illinois, requesting an amendment of 49 CFR 177.834(h) to allow the discharge of hazardous material from a DOT 57 portable tank or UN 31A intermediate bulk container while the unit remains on the motor vehicle.

Your letter has been accepted as a petition for rulemaking under § 106.31 and assigned number, P-1258. If you should write to us regarding this petition, please make reference to this petition number.

Sincerely,

A handwritten signature in cursive script that reads "Verdell M. Simpkins".
