

THANK YOU for implementing a rule for airlines to file monthly reports on incidents involving animals, and requiring the Secretary of Transportation to make this information available to the public so consumers can evaluate specific airlines records. I encourage your organization to finalize the rule AS QUICKLY AS POSSIBLE. I'd also like to express concern that the proposed rule only applies to pets of U.S. families. In addition, I ask that the final rule define "animal" more broadly. But again, thank you for moving forward with this much needed rule to better ensure the safety of animals who are transported via airlines.
