

First of all I would like to thank you for finally moving forward on the proposed rule which applies to pets and incident reports during travel. Please finalize the rule AS QUICKLY AS POSSIBLE!

I would also like to express my concern that the proposed rule only applies to pets of U.S. families (the legislation allowed for other animals - such as those destined for labs or zoos, and pets from other countries - to be covered).

Please make the final rule which will define "animal" more broadly.

Thank you for your time.
