

THANK You for the proposed rule to have airlines file monthly reports on incidents involving animals, and for the Secretary of Transportation to make this information available to the public so consumers can evaluate specific airlines' records. I urge you to finalize the rule and implement it AS QUICKLY AS POSSIBLE. I am concerned that the proposed rule only applies to pets of U.S. families and not all animals whether they be domestic or wild, pets of US families or any country. Please make the final rule define "animal" more broadly. Thank You.
