Subject: Comments to DOT Docket FAA-2002-11666 -12

to whom it may concern:

I have a comment that I believe will affect numerous people. Immediate implementation of **this** rule requiring photo ID will force **some people** to suspend all flying activity until a photo ID can be **procured**. I've been a licensed pilot for 30 years, A licensed driver for 27 years, and I don't have a photo ID. My state, NJ, does not require a photo ID, they're optional.

Sincerely,

Steve Stas
