OFFICE OF THE SECRETARY

NOTICE OF ACTION TAKEN -- DOCKET OST-1998-4830 - 6

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of Continental Airlines, Inc. filed 11/8/02 to:

XX Renew for two years exemption under 49 U.S.C. 40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between Detroit, Michigan, and Grand Cayman, Cayman Islands. Continental operates this service pursuant to a code-share arrangement with Northwest Airlines, Inc. on flights operated by Northwest.

DISPOSITION

XX Granted (subject to conditions, see below)

The above action was effective when taken: December 12, 2002, through December 12, 2004

Action taken by: **Paul L. Gretch, Director**
Office of International Aviation

XX Authority granted is consistent with the aviation agreement between the United States and the United Kingdom.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, limitations indicated: **XX** Holder's certificates of public convenience and necessity

XX Standard exemption conditions (attached)

Conditions:

(1) The code-share operations conducted under this authority must comply with 14 CFR 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (i.e., the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected, and (2) the authority granted here is specifically conditioned so that neither Continental nor Northwest shall give any force and effect to any contractual provisions between themselves that are contrary to these conditions.

(See Reverse Side)

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; and (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
