Here we are again. Another perfect example of the Nazi Gestapo tactics of socialist Germany. You guys just don't get it do you? Perhaps you should try reading the Declaration of Independence and Constitution sometime? Oh, never bothered to actually read that huh? NOWHERE in the Constitution was the federal govt. given the power to become a police state. WE THE PEOPLE are not all criminal suspects for you to pick out at random!

THIS IS AN OUTRAGE! You should all be tried for high treason against the Constitution of the United States!
