Priority: Normal
Subject: Docket No.[FAA-5926]

1999 AUG 27 P 1:11

To the US Dept. of Transportation Dockets. Regarding Docket No. [FAA-5926].

I am a life long Arizona republican who believes there should be no (non emergency) flights lower than 10,000 feet over the Grand Canyon. Nor should

planes be allowed to fly within one mile of the edges of the rims of the Grand Canyon.
