Dear Sirs:  
This letter is in regard to the  
changing of time in Mercer Co; I am  
in favor of making the time to  
Central and have been for many years.

I have lived here for over 40  
years, first in teaching and then  
working in Power plants. The  
transport of students to various  
parts of the state and back was  
very trying for everyone concerned  
and the plant - I started work at 7:08 AM  
and would leave to work at 5:30 AM to  
get to work on time. Yes I am very  
much in favor of going to Central  
time for Mercer Co., in fact

the old first and some  
a sufficient time will elapse

for the first
