

I BELIEVE THAT THE PROPOSED NPRM IS NOT JUSTIFIED, IT IS JUST ANOTHER WAY OF TAKING AWAY OUR AIRSPACE AND CREATING MORE REGULATION THAT PILOTS ARE UNABLE TO BE NOTIFIED OF OR COMPLY WITH. IN THE PAST YEAR THERE HAVE BEEN TWO TRF IN OUR AREA THAT WERE MADE BY MINNEAPOLIS CENTER AND CHICAGO CENTER. IN BOTH OF THOSE SITUATIONS A FLIGHT BRIEFING WAS RECEIVED FROM FLIGHT SERVICE STATIONS AND NOT MENTION WAS MADE OF ANY RESTRICTED AIRSPACE, TAPES VERIFIED THAT, AND ALSO THE FLIGHT SERVICE STATIONS DID NOT EVVEN KNOW WHAT A TRF WAS OR HOW IT WAS MADE..

IN CHECKING NEAR MISSES AND ACCIDENTS I DO NOT SEE ANY THAT WOULD HAVE BEEN AVOIDED WITH THIS NEW REGULALTION. WHY MAKE ANOTHER REGULALTION TO RESTRICT AIRSPACE THAT IS NOT NECESSARY.
