To Whomever It May Concern,

In regard to flight restriction rule proposal FAA-00-8274-1, we would like to go on record opposing any changes in current FAA regulations. We operate a night aerial advertising business in the Indianapolis Indiana area. Any further restrictions in controlling fly-overs could severely restrict and virtually eliminate our business.

We appreciate your efforts in maintaining our right to free enterprise.

Sincerely,

Lynn K. Manley,  
President Sky Sign of Indiana, Inc.
