U. S. Department of Transportation
Room Plaza 401
400 Seventh Street
Washington, DC 20590-0001

Dear Sirs,

This is in reference to docket number FAA-2000-8460. Plain talk in Airworthiness Directives and FAA regulations is long overdue. It is a must to clear the constant disagreement between FAA inspectors on what a document says.

This would allow the document to focus on the condition which created the need for the regulatory action.

Yours truly,

John Miller
A & P 2218445AI
