DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY

Dear Sirs:

I have looked through the Notice about Vision Exemption Applications from Qualifications of Drivers, Docket No. FMCSA-2001-10578, and have one administrative comment.

I suggest that you consider, in future notices of this type, including a table summarizing the individuals and key information.

As presented, the information requires the reader to know that an individual has applied and to search alphabetically for that individual in order to see if included. I believe the notice could be improved by offering readers a chance to rapidly see if applicants are from an area of interest or knowledge to them.

One possible layout for this information including the first 10 applicants is below.

Name	State of Licensure	Class of License	CMV Accidents or Convictions in Last Three Years
Boggs, Loa M.	WV	D	No
Brandano, Anthony	NY	A	No
Davis, Jerald D.	TX	A	Yes
Dohrn, Vernon J.	MN	A	Yes
Elliott, Stanley E.	UT	A	No
Gockley, Elmer E.	PA	A	No
Gruenberg, Paul C.	FL	A	No
Habben, Tommy D.	TN	D	No
Hehner, Glenn T.	KY	DMB	No
Hunt, Carl R.	MO	E	No

Thank you for considering this recommendation.
