

This is a report of a probable error, in "§ 89.Section 139. May I give myself an endorsement?"

Where the answer to this Section 139 says "...you may give yourself an endorsement..." I think you meant to say "... you may NOT give..."

Either that, or where the answer starts "No." it should say "Yes". But I'm not 100% sure which one it would be. Either way, it ought to be fixed.
