Subject: Comments to Docket FAA-2002-11705, Notice of Petition for Rulemaking, Request for Comments; Regarding Appendix M to 14 CFR Part 121, and Appendix E to 14 CFR Part 125; Petitioner: Airbus Industrie

Dear Sirs:

Boeing Commercial Airplanes intends to submit comments to the referenced petition for rulemaking. However, due to the complex subject matter of the petition and short length of time afforded for public input, we find that we will require an additional two weeks in order to provide a meaningful, thorough set of comments. We request that FAA consider our comments when they are received, even though the deadline for comments will have passed.

Please direct any comments or questions to Ms. Jill DeMarco of this office at (425) 965-2015.

Sincerely,

Jim Draxler  
Director, Airplane Certification,
