**Subject: Federal Register Notice on Oregon Farm Truck Exemption Request**

**To Whom It May Concern:**

My name is Johanna Tetz and our farm operation has farm trucks we use when we harvest our crops. The State of Oregon allows for use of these trucks and exempts us from federal safety regulations because of the safety record farm plated trucks have here and their limited use. No additional authority is needed for compliance with duplicative and unnecessary federal regulations.

Today, I am asking you to give ODOT the 2-year renewable exemption from the federal regulations that mandate certain truck parts and accessories, and the requirements for inspection, repair and maintenance on farm trucks that they have petitioned for.

Thank you,

*Johanna Tetz*
