SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106-181. The Act required the establishment of the advisory group within 1 year after its enactment. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator and the Director (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

The advisory group provides "advice, information, and recommendations to the Administrator and the Director -

- (1) on the implementation of this title [the Act] and the amendments made by this title;
- (2) on commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;
- (3) on other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) at the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Members of the advisory group may be allowed certain travel expenses as authorized by section 5703 of title 5, United States Code, for intermittent Government service.

The current NPOAG is made up of four members representing the air tour industry, three members representing environmental interests, and two members representing Native American interests. Current members of the NPOAG are: Andy Cebula, Aircraft Owners and Pilots Association; David Kennedy, National Air Transportation Association; Alan Stephen, Twin Otter/Grand Canyon Airlines; Joe Corrao, Helicopter Association International; Chip Dennerlein, State of Alaska Fish and Game; Charles Maynard, formerly with Great Smoky Mountain National Park; Susan Gunn, The Wilderness Society; and Germaine White and Richard Deertrack, representing Native American tribes.

Public participation in the advisory group

In order to retain balance within the NPOAG, the FAA and NPS invite persons interested in serving on the NPOAG to represent environmental interests to contact either of the persons listed in FOR FURTHER INFORMATION CONTACT. Requests to serve on the NPOAG should be made in writing and postmarked on or before (insert date 21 *March 5, 2003* days from publication date). The request should indicate whether or not you are a member or an official of a particular environmental interest group. The request should
