UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on June 30, 2003

NOTICE OF ACTION TAKEN – DOCKET OST-2003-15476 - 2

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of Kalitta Air, L.L.C. filed 6/19/03 for:

XX Exemption for two years pursuant to 49 U.S.C. §40109 to:

Integrate Kalitta's authority to provide scheduled foreign air transportation of property and mail under its existing certificate and exemption authorities.

Applicant rep: Mark W. Atwood (202) 463-2513 DOT Analyst: Sylvia Moore (202) 366-6519

DISPOSITION

XX Granted (subject to conditions, see below)

The above action was effective when taken: June 30, 2003, through June 30, 2005

Action taken by: Paul L. Gretch, Director
Office of International Aviation

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** Holder's Certificates of Public Convenience and Necessity
XX Standard Exemption Conditions (attached)

Conditions: The route integration authority granted is subject to the condition that any service provided under this exemption shall be consistent with all applicable agreements between the United States and the foreign countries involved. Furthermore, (a) nothing in the award of the route integration authority requested should be construed as conferring upon Kalitta rights (including fifth-freedom intermediate and/or beyond rights) to serve markets where U.S. carrier entry is limited unless Kalitta first notifies the Department of its intent to serve such a market and unless and until the Department has completed any necessary carrier selection procedures to determine which carrier(s) should be authorized to exercise such rights; and (b) should there be a request by any carrier to use the limited-entry route rights that are included in Kalitta's authority by virtue of the route integration exemption granted here, but that are not then being used by Kalitta, the holding of such authority by route integration will not be considered as providing any preference for Kalitta in a competitive carrier selection proceeding to determine which carrier(s) should be entitled to use the authority at issue.

(See Reverse Side)

Remarks: We acted on this application prior to the expiration date for answers with the consent of all parties served.

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy, (2) grant of the exemption was consistent with the public interest, and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
