Under 49 U.S.C. 41731 *et seq.*

Docket OST-2002-11376

ORDER EXTENDING SERVICE OBLIGATION

Summary

By this order, the Department of Transportation is extending Air Midwest, Inc., d/b/a US Airways Express's (Air Midwest) service obligation at Salina, Kansas, for an additional 30 days, through [February 20, 2004](#).

Background

On January 23, 2002, Air Midwest filed a 90-day notice of its intent to suspend its unsubsidized service at Salina, Kansas, effective April 24, 2002. By Order 2002-3-31, March 29, 2002, the Department prohibited Air Midwest from suspending service at Salina for 30 days beyond the end of its 90-day notice period, and requested proposals from carriers interested in providing replacement service. As required by 49 U.S.C. 41734, we have extended Air Midwest's service obligation at Salina for additional 30-day periods, the latest through [January 21, 2004](#), by Order [2003-12-10](#).

Air Midwest is eligible for compensation for its forced service. By Order 2003-8-23, August 21, 2003, the Department set annual subsidy rates to be paid while the carrier-selection case is processed. The carrier will be paid \$321,968 for a mixture of two and three daily one-stop round trips to Kansas City for the period of April 24, 2002, through March 31, 2003; and, \$536,237 for three daily one-stop round trips to Kansas City, until further Department action. All service is to be provided using 19-seat Beech 1900D aircraft.

This case will not be completed before the end of the current 30-day hold-in period. Therefore, in accordance with 49 U.S.C. 41734(c), we will extend Air Midwest's service obligation at Salina for an additional 30 days, or until replacement service actually begins, whichever occurs first.

This order is issued under authority delegated in 49 CFR 1.56a(f).

ACCORDINGLY,

1. We require Air Midwest, Inc., d/b/a US Airways Express, to maintain essential air service at Salina, Kansas, consisting of at least three nonstop or one-stop round trips each weekday and weekend to Kansas City, Missouri, for an additional 30-day period, through **February 20, 2004**, or until replacement service actually begins service, whichever occurs first;¹
2. We direct Air Midwest, to retain all books, records, and other source and summary documentation to support subsidy claims for payment, and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed, whichever comes first. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;
3. Docket OST-2002-11376 will remain open until further order of the Department; and
4. We will serve a copy of this order on the Mayor and Airport Manager of Salina, the Governor of Kansas, the Kansas Department of Transportation, Aviation Division, and Air Midwest, Inc.

Persons entitled to petition the Department for review of this order under the Department's Regulations, 14 CFR 385.50, must file such petitions within ten (10) days after the date of service of this order.

This order will be effective immediately, and the filing of a petition for review shall not preclude its effectiveness.
