

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on March 26, 2004

NOTICE OF ACTION TAKEN -- DOCKET OST-2002-12160

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of Pan American Airways Corp. filed 3/1/04 to:

XX Renew for two years exemption under 49 U.S.C. 40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between points in the United States and points in Costa Rica.¹

Applicant rep: Nathaniel P. Breed, Jr. (202) 973-7919 DOT Analyst: Sylvia Moore (202) 366-6519

DISPOSITION

XX **Granted**

The above action was effective when taken: March 26, 2004, through March 26, 2006

**Action taken by: Paul L. Gretch, Director
Office of International Aviation**

XX **The exemption authority granted is consistent with the aviation agreement between the United States and Costa Rica.**

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** **Holder's certificates of public convenience and necessity**
XX **Standard exemption conditions (attached)**

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the exemption authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

¹ Pan Am currently holds U.S.-Cost Rica exemption authority under a Notice of Action Taken granted in this docket on May 17, 2002. Pan Am states that it operates no scheduled service between points in the U.S. and Costa Rica, but that it or its affiliated sister carrier, Boston-Maine Corp, d/b/a Pan Am Clipper Commuter, plan to resume service to Costa Rica when traffic conditions warrant. We note that under the terms of its currently effective certificate authority, Boston-Maine is restricted to small aircraft operations. Should it wish to perform large aircraft operations to Costa Rica, it would need to secure the requisite Department authority to do so.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
