INTRA ALASKA BUSH SERVICE MAIL RATES

Docket OST-2003-14694

NOTICE

On July 7, 2004, pursuant to Rule 302.11, the Department granted Peninsula Airways an extension until August 9, 2004, to submit initial comments to Order 2004-6-3, linehaul mail rates for Part 121 carriers. On July 16, 2004, Mr. Hank Myers of the Consolidated Carriers requested that the filing deadline in response to Order 2004-6-4, linehaul mail rates for Part 135 bush carriers, be extended to August 9 as well. Mr. Myers noted that many of the issues apply to both orders, and require more time to conduct additional analyses. There were no objections to this request.

We hereby grant that request to extend the deadline for comments to August 9.
