**AD Proposal Worksheet Attachment:  
-- DISPOSITION OF COMMENTS TO NPRM --**

DOCKET NUMBER: 200<sup>4</sup>-CE-13-AD, Grob-Werke G120A airplanes, fuselage structure  
FAA-2004-18030-10

**Directions for completing this form:** Summarize all comments received by issue (not by commenter) and provide your suggested resolution of each issue. All comments relating to the same issue should be discussed together. Do not list all of the issues of one commenter together. If changes to the AD need to be made based on the comments received, explain why and describe in detail what change(s) you recommend.

-----  
No comments were received.
